Driving from Otter Bay ferry terminal to Sahhali B&B (9 miles):

Take these instructions with you - [click for a print-friendly version of this page](#).

Follow the traffic flow up the hill, **staying left at the T** intersection. When you reach another **T** intersection with a **stop sign, turn right**. You will pass the Royal Canadian Mounted Police office and in a few minutes be heading down a long steep hill. You will see the Driftwood Shopping Plaza and gas station on your right. Stop here for groceries or the liquor store. Carrying on, you will see the sign for Prior Provincial Park on your right (just past the Inn on Pender). Here the road heads downhill and curves to the right. Do **NOT** turn left or you will pass the school and clinic and be incorrectly heading for S. Pender.

Stay on this road, bending **left** at Fire Hall No. 2 You soon will see Magic Lake on your left. Just past the lake, you will **take the next left** onto **Pirates Road**. The road is marked by a large street sign.

Travel down Pirates Road until you see on the right side a large 5x8 **carved wooden sign indicating OAK BLUFFS**. After dark the sign is illuminated by reflectors.

Proceed up the hill. Other residents share this road, so watch for the "**WELCOME TO SAHHALI**" sign. Follow the curve in the driveway to the right.

WELCOME TO PARADISE ON THE BLUFF!

If you need some help to find your way, just ask a friendly Islander, or call Sahhali at 629-3756. Personal cell phones generally work, but can be unpredictable.
